

AMAA 2018 Grant Report

Diana McDonald

All \$2152.53 was used to distribute the kits to the members at the AMAA Annual meeting, June, 2018 in Chicago, IL. The kits included the, AMAA opioid brochures, door hangers, and postcards, Prescription Opioid Epidemic: Know the Facts, Detera drug disposal pouch and DisposeRx drug disposal packet.

We have had three states reach out for more which we sent.

The remaining was used for Cami Pond and Pat Troy to distribute as they traveled and met with potential partners (national PTA, MEDCHI).

We do have several left for members to use , we decided that for every order of 100 door hangers we would gift 2 disposal pouches. 1 state has taken advantage of that.
